“ My deepest condolences to the Hanson family. Bruce was a great colleague--one who would always take the time to help out a new recruit like me. I so enjoyed hearing about his trips to the Rocky mountains and always appreciated his comments about our business. Bruce, to me, was a very smart man, kind, friendly and a solid colleague. Next time I'm, in Mpls. I'll visit Ft. Snelling and have a little chat. I won't forget you Bruce--thanks for your support and friendship.

“ Dear Marge,  
I am so saddened to hear about Bruce's death. He is one of the reasons I am a speech pathologist today. He was so inspirational during my graduate years. He taught me how to think critically and how to appreciate the value of education. I remember being so encouraged by him to believe in myself and to not settle for things and to always be curious about life. I so enjoyed maintaining contact with your family during the holidays across nearly 20 years. My prayers are with you and your family as you try to get through the days and weeks ahead.

Sincerely,
