“ I had the great fortune to hire Bruce (way) back in the 1990's as Maple Grove's 1st Commercial Appraiser. Bruce helped bring the Assessing Department into the 20th century, due to his computer knowledge & savvy with other professionals. We also shared many MAAO & IAAO experiences. Bruce enjoyed exploring anything & everything new. I was lucky to fly as his passenger when he was accumulating hours for his pilot's license. Our friendship included numerous discussions of properties, people, & philosophies. My deepest sympathy to Sheila & the rest of Bruce's family. May you find some comfort in the many, many memories you share.

“ *Our deepest sympathies go out to the family.*

We met Bruce while playing Pickleball in Anoka and got to know him during the many breakfast and lunches our group shared after playing.

Rest in Peace.
