“ *Dear Hedstrom family - I was so sorry to read about Burt's passing. I have such fond memories of him and your whole family from many years ago. I was surprised to read there is a 9th child...that's how long it's been since I've seen all of you. My Dad wanted to come to the visitation but is still getting over the recent loss of his wife. (who had Parkinson's for almost 30 years) I am going to try to make it to the visitation tomorrow night but wanted to send my condolences here too. “ *Burt was a member of Headwaters Golf Club when I worked there. He was a great guy and used to love "stumping" me with Minnesota sports trivia. He will be missed. Lefty Anderson*
