“ Candy was my very best friend in gradeschol at Washington Elementary in Crookston. We managed to get into our share of mischief then. I visited her in Moorhead a couple of times when they lived in Bobby Vee's old house. I tried a few times to connect with her on Facebook but didnt get a reply. Now I know why... It is with a sad heart I extend my heartfelt condolences to Candy's family. She always lit up a room with her infectious smile and laughter! Until we meet again, my friend!

“Candy moved to Moorhead at the same time I did and we met in the 8th grade at South Jr. High. We continued to be good friends through out high school and I remember going to Crookston to watch her graduate from Nursing School. She always knew what she wanted to be when she grew up and she was smart! My teenage years were so much better because of Candy. She was so fun to be with and we had our share of parties, dragging Broadway, crying over boyfriends, sneaking out of the house at night, drive-in movies, dances and slumber parties. A wonderful part of my past is gone and it hurts. rest in peace dear girl. I love you. Diana Mike Torkildson
