“ *The Ryhti household was a special place for me as a new kid in the neighborhood in 1969. Carl was very welcoming to me, as was the whole Ryhti family. Their house was a fascinating place, always something happening. I felt included in many of these goings on, and Carl, Betty, and the boys were the reason. As time passed and I had kids of my own, I became even more aware of how kind Carl had been to me, and that I was one of many who experienced his kindness. As Carl's Son Dave used to tell me, "The older I get, the smarter my Dad was.". Dave was right.*

Sorry for your loss Bruce, Patricia, and family.
