“ *Carla I will miss our phone conversations that I thought would take 10 minutes and two hours later we would have to hang up. You always shared loving and fun stories about you and family. We enjoyed visiting you and ice fishing expeditions. You will be truly missed.*

“ *Mom- I can not believe you are gone from my life, although you will ALWAYS be with me. You are such a special person especially to my babies who love you and are missing you so much I can hardly bear it. The memory of you will be with us forever and it brings me peace picturing you with Auntie Vic and little Jerry. Though I am missing you so so much. Love you to the moon and back, Katy*
