“ My condolences to the Gladieux family during this difficult time. I had the absolute pleasure of working with Carlin for many years at Danfoss and she was always a bright spot during my day. She was extremely dedicated at her profession and well respected throughout the organization. If a job had to get done, I could always count on her. Her attention to detail and quality was amazing and took great pride in her work and working with others. I, along with everyone else at Danfoss, miss her but am so fortunate that I had the opportunity to get to know her. She was a wonderful person and I will always have fond memories of her. - Dave Lamm
