“Carmel and my stepmom, Cathy DeJarlais, were fabulous friends. Living in the same condo building, they had coffee together just about every morning. Oh how they treasured their friendship. We lost Cathy six years ago and I moved into the condo. I saw Carmel often and we chatted about how important she and Cathy were to one another and what was new in our lives. Carmel was a wonderful woman with an amazing warmth, acceptance, and the kindest heart. She will be so missed! One more thought ... Many Sundays through the past six years, I would take my mother to Perkins after church and Carmel was usually there so the three of us would have lunch. So many laughs ... lots of memories.

My deepest sympathies to Carmel's family and friends. May you feel the love, grace, and peace of God. May your blessed memories of Carmel comfort you.
