“ Dear Lori, Janie, David,
What a beloved uncle/brother Carmen was to me and us kids. He lived with us off and on through my life. Carmen bought me my first bicycle before we moved from Minnesota.
Oh the memories of us and him in his T-Bird! He took my fiance now husband around Minneapolis and out on the lake in the winter of 1970 as Roger had not seen snow; a born and raised Texas boy. Your mom cut Peter's hair for the first time when they came to visit. He was 2 with blonde locks. I miss your mom and now Carmen so much.
Thank you for celebrating his life and loving him. I ache that I was too far away to be there. I am in shock he is gone, but thankful I had seen him several times recently. Will miss my home away from home when I come to Minnesota.
