

Carol Ramona Anderson

November 22, 1934 - February 10, 2024

On Saturday, February 10, 2024, at 10:00 a.m., Carol Ramona Anderson, loving mother of three children (Michael and Jennifer who are predeceased, and Laura), grandmother to six, great-grandmother to six, sister and friend, passed away at age 89, in Bloomington, Minnesota.

Carol was born in Perham, MN to Reuben and Elizabeth (Widseth) Anderson. She attended Fergus Falls High School, where she enjoyed orchestra and theater, graduating class valedictorian. After marrying and raising three children, she went on to graduate from the University of Minnesota, Morris with a B.A. in Sociology. She later studied for her Master's degree in Sociology at the U of MN, and published research with her mentor on the topic of kidney donors and their recipients. She decided not to pursue work in sociology, becoming a social worker, and then a medical records specialist for many years. She also earned a Veterinary Technician degree, working briefly in that field until she retired.

Carol loved her family more than anything else, and she also loved dogs and cats. Her hands were never idle, and she created many beautiful quilts, rugs, sweaters, hats, scarves, mittens, dish cloths and dog toys for family and friends to enjoy and remember her by.

The Celebration of Life service will be held on March 18 at the Washburn-McReavy Bloomington Chapel, 2300 W. Old Shakopee Rd. Visitation begins at 10:00 a.m, service at 11:00 a.m. Donations can be made in her name to the Humane Society of the U.S.
