“ *Carol was my true friend. We had many enjoyable times together. She hated shopping but somehow I convinced her to shop with me. I remember riding in her Audi with her cd blaring. She loved Abba's Chickadee song. She was always willing to listen & try to help in any way she could. She was a fun carrying woman. She loved & was very proud of her family. Hopefully she will find a casino in heaven! I miss her greatly. My deepest sympathy to her family members.*
