“ Oh my just learned of your passing dear friend Carol I miss you so much all the times we did water aerobics together at the Southdale YMCA. We had so many good times together going to Church together at Grace having lunch together at original pancake house , our talks and when you helped me pack and get rid of so many things when I move to Champlin could never have accomplished it if it weren't for you. You were a great blessing in my life I miss you dearly but know where you are and I know I'll see you again , this is my hope and comfort your forever friend.

“ Jesus has a beautiful angel in Carol. You were just the best friend and like a Mother to me. We spent countless hours talking about our precious children, grandchildren and lives. There was so much love in your heart and you really helped me through some difficult times. Your courage, strength and love for Jesus surely inspired me. I will miss you my beautiful friend.

“ Mark, my thoughts and prayers are with you as you face this next step in your journey with Carol. The journey doesn't end here. Remember the good times. I didn't know Carol, but from what I read and heard from you, she was a wonderful woman. Sorry I could not be there to express my condolences but just know I am thinking of you at this difficult time and hopefully Phil remembers to give you a hug from me. We will always be there for you! We care.
