“ A classy lady regardless of whatever challenges she was dealing with. The pain is over, you are free. Rest easy.

“ The loss of Carol duts deep within the family but, as stated below, she was a warrior and "I'm not a quitter". After years of suffering from a variety of medical problems but is now pain free and has reunited with the ancestors. Rest in Peace, Carol, you've earned it.

“ I miss you Carol. I still remember all the long phone calls you and my mom would always have. You never gave up no matter what life threw your way. You were a wonderful aunt. It was a blessing having you in my life. May you rest in peace and say hello to the family. Love you always.
