“ I will forever remember your Mom's cards in the mail. Through good times and bad, those cards would always come. I'm incredibly grateful, and sending my condolences at this difficult time.

“ I am so sad to know that Carol has left us. I have known her since high school where we became friends in Home EC. She was so easy going and fun to spend time with, and so we did in high school and then at St. Cloud State University. Her family has lost a great lady that none who knew her will forget. We can all reminisce with a smile about the times we spent with Carol.
