

## Carol Anita McCarter

April 11, 1924 - January 29, 2024

Carol Anita Nelson McCarter was born on April 11, 1924, in Osakis, MN. She graduated from the University of Minnesota in 1945 with a degree in medical technology. Carol worked in hospitals in Dallas, TX; San Diego, CA; and Cleveland, OH. After becoming the head technologist at Asbury Methodist Hospital in Minneapolis, she helped to design the new Methodist Hospital in St. Louis Park.

Active in the Democratic Party, she served as delegate to state conventions and became acquainted with such party notables as Governor Mark Dayton and Minneapolis Mayor Sharon Sayles Benton, who honored Carol by naming a day for her. The League of Women Voters was also important among her interests.

As a charity project, Carol started the Fremont Community Health Services Clinic for the indigent and worked there for many years. She was active in Valley Presbyterian Church, serving as a deacon.

Carol adored travel: she went to London to see the Queen, to Moscow to admire the art at the Heritage, and to Ireland to kiss the Blarney Stone. She danced wherever and whenever possible- at weddings and festivals and up and down the living room furniture plus the green grass growing all around.

She was a loyal friend, an avid church-goer, a hard and faithful worker in the fields of the Lord, and a great sister. Carol died at 99 years and 9 months, survived by her sister Georgia, daughter Laura, son Bruce, granddaughter and great-granddaughter, nieces and nephews. She also had "informally adopted children" Lorna and Barb. Much love goes with her.

Join us in celebration of her 100th birthday, April 11 at 11 a.m. at Valley Presbyterian Church located at 3100 Lilac Drive N, Golden Valley MN 55422. In lieu of flowers, please make donations to Neighborhood Health Service (formerly Fremont Community Clinic) or Valley Presbyterian Church.
