“ *My deepest sympathy to Carol's family. I was blessed to know Carol for the past five years at Valley of Peace Lutheran Church. We joined the church on the same day. As so many others, I was immediately aware of how special Carol was. Her warmth, her smile, her faith, and her kindness were so sincere. I know how much Carol wanted to stay here longer with her loved ones. She has received her reward in heaven. A life well-lived, a fight well-fought, a race well-run. Again, my deepest sympathy.*
