

Carol Ann Sitarz

November 19, 1944 - May 14, 2020

Sitarz, Carol Ann passed away peacefully on May 14th at the age of 75, following a courageous battle with renal cancer. She was blessed with a loving family and a dedicated circle of friends. She is survived by her sister Ginny (John) Hannula, Brothers Robert (Jann) and Richard (Natalie) and many Nieces, Nephews, God Children, cousins, friends and neighbors. Preceded in death by her parents Stanley and Bernice, brother James, nephew Joseph and niece Susan McSherry. Carol was a lifelong resident of Northeast Minneapolis. She attended school at St. Charles Borromeo and was a member of St. Hedwig's parish. A devoted employee Carol worked for Quest for over 32 years. Carol had a unique way of making those around her feel special. Always generous with her time and talents she would bake, knit, and crochet gifts that went to those in need. She loved to spend time on the water. Her fishing crew, The Slip Bobber's will miss her companionship as will all her nieces who she treated to an annual Aunties lunch with her sister, Ginny. Carol will be greatly missed; however, her example of faith, love and friendship will live on through all who knew her. The Sitarz family would like to thank the talented doctors, medical and hospice staff from Park Nicollet and St. Therese at St. Odilia who provided her care. A celebration of Carol's life will be held at a later date. Interment at St. Mary's Cemetery. Washburn-McReavy.com Northeast Chapel 612-781-6828
