“ I just learned of Carol's passing, and it is with a heavy heart that I offer my condolences to Danny and Matt and her entire family. Carol was my next-door neighbor (from 1991 to 1998) and my friend and the world just lost a wonderful person. I feel lucky and blessed to have had the gift of her friendship. I will always remember Carol's smile, her sense of humor, her quilting, her beautiful garden, 4th of July celebrations, and our conversations. Right before we would settle into one of our long chats, Carol would always say, “Tell me everything, spare no details.” She always seemed to be helping others – whether it was through church, or family and friends – Carol always made time for everyone. I feel so fortunate to have known her. I hope all the good memories of Carol help ease your grief. With deepest sympathies, Karen O'Kelly
