“ Carol, so sorry to think of your not being here with your family and friends. Your many days on earth were well filled with love and cheerfulness. Have lost touch the last few years with our lives being filled with joyful little ones and your new location, but have many smiles thinking of some of our conversations and rides together. Happy your body is free of any pain and know your family with stay close and support one another during this empty space being left with your transition!

“ Franco and I, along with Katherine and Jonathan are sending you all our love and prayers. Carol was my dear friend and confidant in so many ways. In fact, Franco and I would not have shared 20 + years together if it were not for Carol. We love you all and we know that Carol/Mom/Wife is now in heaven, an angel, looking over all of you and the grandkids. Hugs, wish we could be there with you all!
