

## Carol Eileen Weiland

August 5, 1940 - August 16, 2025

### Carol Eileen Weiland

Beloved wife, mother, and friend. Carol Eileen Weiland (Fjeldheim) August 5, 1940-August 16, 2025, passed away peacefully 19 days after receiving a diagnosis of ovarian cancer.

Carol graduated from West High, Minneapolis, in 1958. Although she and husband John (2020) traveled far and wide, Minnesota was always home. Carol loved serving her community of Minneapolis as a realtor for nearly 30 years; but she loved her retirement years even more! Carol always had time for a phone call, a meal, or a great old-fashioned. Later in life she golfed, fished, and played a lot of cards and mah-jongg with friends recently made. Carol had a lifelong affair with art: watching performances, collecting, but mostly creating. Carol had been creating art since the early 80s and continued painting until last year.

Survived by daughters, Dawn E. Cardarelle (St. Paul); Diana L. (Calvin) Craig (Littleton, CO); granddaughters, Kelsey C. Aquilina (Brooklyn, NY); Sylena Kontour-Craig (Westminster, CO); the Craigs' nephew, John C. Cowart (Ft. Collins, CO); and favorite nephews Patrick Weiland and John Rodning (Minneapolis).

Service to be held at Lakewood Memorial Chapel, September 6, 2025, at 12:30 pm; reception to follow. Private interment.

Special thanks to N.C. Little Memorial Hospice, Edina, MN. In lieu of flowers please consider a donation to N.C. Little Memorial Hospice, Open Arms of Minnesota, or the Alzheimer's Association.

“ Oh, how I will miss seeing Carol in our "Hood"! She always had time to stop and talk to me. And I will never forget our shared frustration with our iWatches. I bought a book and together we went through it trying to figure out how to set up the emergency setting. Of course, we did something wrong and tried everything we could think of to cancel the alert. Carol decided that we should go to a class at the Apple store. We listened to a young girl about all the wonderful things we could do with our watches, but she quickly skipped over the part we desperately needed about emergency calls. We stayed "after class" to ask questions, but the "teacher" needed to prepare for the next class. We decided to walk over to the chocolate store on the other side of Southdale mall to ease our "Apple" frustration. I still don't know how to use the watch. My biggest regret is that we never got to go line dancing together. We talked about it, and she told me that she had a cowboy for just that purpose. She found a place where we could go, but unfortunately the place was far away and the line dancing was at night. What fun it would have been to be line dancing with Carol. I'm sure we would be laughing at our lack of coordination the entire time. Due to a family conflict, I regret that I can't attend the funeral. Carol talked about her girls often, and I would have liked to meet all her family. Since I was the landscape/tree person in Falcons Way, I am planting a tree in her honor. If there is anything at all that I can do, or any information to help you need please let me know. Call and leave a message I will certainly miss Carol. Peg Wangensteen 612-716-0596.
