“ *Scott and Family,
We wish to express our Deepest Sympathy and may your "Faith"
provide you with both Peace and Comfort during this difficult time.
My parents lived close to the Hennessy family in Roland so we were
always kept up to date on the Hennessy Family.*

*God Bless you.

“ *Growing up in Roland, Iowa, was a blessing and having Carole as a friend, classmate and team mate was a gift. As I spend time thinking about her courageous battle with cancer and her impact in the world, can't help but think about all the special times we had together. Remember that no one can take your special memories away and hope those memories are offering comfort to all that loved her. Sending my deepest sympathy and prayers! Dee (Anderson) Douglas*
