“ *Carole worked for me at Youth Encounter raising funds for youth ministry through a phoning program in the 1990's and early 2000's. Carole was our most dedicated and affective caller. I know she raised over \$100,000 during her years at Youth Encounter. We were so grateful for her efforts. I remember that she was always working toward her next "mystery" trip which I enjoyed hearing about after the mysteries were revealed on the trip. She had many wonderful adventures to share. God's blessings and peace to the family as your grieve and celebrate Carole's amazing life. God is finally welcoming Carole to her beautiful heavenly home. Brett Koopman*

Thank you for your kind words Brett. Carole (our mom) had a very kind heart and true love for traveling. She touched the heart of many. We know she is resting in the arms of the good Lord. Julie

“ Such fond memories of Carole Yurecko while growing up in Minnesota back in the 1970’s. Carole was always an avid supporter of all of us accordion students (her daughters included) at the local private music school. So many of us were routinely invited to the family home to share a “potluck” and “smorgasbord” of her home cooking spread out on the kitchen counter and throughout the dining room. The restaurant smell was always mouth-watering and the food was, well of course, so delicious. She was such a brilliant cook and talented homemaker that even Martha Stewart would be proud! Carole was always so kind and caring to each and every one of us. I think what impressed us most was her quick wit, sense of humor, and her “bubbly” personality. She was always so much fun to be around. Such a life well-lived.
