Sending sincere sympathy to the entire Hall family - from DiAnn, Dana & Tony - - we have many good memories of our days spent as neighbors in Brookings.

My mom (Jean Anderson) and I send our sympathies & prayers to the entire Hall family. My dad (Russell Anderson) sold DeKalb seed corn while Caroll was the district manager for them. I have many memories of going to meetings in Brookings and spending time with Steve and many other kids going swimming, games and just hanging out. One of my fun memories was when Caroll recognized my birthday one December...even as a kid I thought that was very special. My parents thought the world of the Hall family!!

Our deepest sympathies to you. Have been thinking about you and keeping all of you in our prayers. I will always remember Caroll has one of the kindest men that I have known in my lifetime. Even as teenagers running in and out of the Hall home - he was always very kind and welcoming. When I think of Caroll the word patience comes to mind. He will be greatly missed.
