“ Our sympathy to Carolyn's family. She was a kind and caring person. When Ken & I were dating and I was living in Mankato, Carolyn was going to Business College there. She would ride back to Okabena with me on weekends. She always had a smile.

“ I guess we go back a few years , remembering biking with the kids in the area to the Koch farm at " MAY BASKET TIME ] and many other fun times while attending Rost Parocial School and then Okabena High. In later years it was great to see Carolyn at class reunions sometimes with sis , Virginia.. .We exchanged letters and hers were informative and she seemed exited and thankful whenever Jason and She went on a trip somewhere. All my Sympathy JEFF POST
