

Carolyn Sundstrom

November 27, 2024

Carolyn Sundstrom (Strandberg), 77, died on November 27th, 2024.

She was a fun and devoted stay at home Mom followed by a long career with Park Nicollet (retired from the IT Security Department).

She was smart, funny and loving. She enjoyed reading, music, movies, knitting, cooking (but also eating out), lakes and rivers, gardening, puzzles and games, road trips, dogs and chocolate. She was generous with her time and talents including her thoughtful donations of hundreds of lovely handmade hats and scarves for local charities.

Preceded in death by her beloved parents; aunts; uncles; partner, Richard; and several close friends. Survived by children, Tracy (Bradley Keely) and Chad (Xuan) Sundstrom; grandchildren, Ella and Claire; as well as many other friends. She will be dearly missed by those who loved her.

In lieu of a service, please take some time in her honor to watch an old movie, sing along to a favorite song, play a game or have a meal with friends. Heartfelt thanks to her Park Nicollet and Methodist Hospital providers.
