“ *Carrie always shared her smile. As a child, she wore an outfit "cute as a button, and she was. She was a little clown and loved monkeys. She had a quiet & sensitive heart.*

“ *I remember the time we were at the cabin and Carrie cut herself on the dock. She always tried to act so tough, but the cut was bad and deep. She couldn't be tough that day!!! Bill had to take into Sandstone to get stitched up. She made jokes about small town hospitals. I love you Carrie....Thank you for my beautiful niece and handsome nephew. You will be missed but never forgotten!!! Much Love...Jodi*
