“ Kelly and Nicole, I was so sorry to hear about Carson. There are no words but "I am sorry". I know sometimes we just want to raise our heads and scream at the unfairness of life. If you want to talk, know I am here.

“ We are so sorry to hear about the loss of your sweet Carson. We do not know each other, but I was touched by your story... Our son died very unexpectedly on Feb. 14th, 2012. His funeral was Feb. 18th... 4 years later and we are still figuring out this journey and working on new normals. If and when you are needing to connect with another family who understands your pain, please don't hesitate to email me... we will rearrange calendars to connect with you if you want. The support we've received since losing Declan has been a major part of our healing. May God's grace wraps it's arms around you during this difficult time.

“ I want to say how very deeply I am saddened by your loss. Carson was truly a JOY of a BOY and his smile was very infectious.
