“ *I have been a customer at McDonald's Liquor store for quite some time. I want to share Casey was a man of few words, but those were always the few I was looking for. The store let me take a cardboard cutout of a Coors Nascar spokesmodel to the bar I work for. People danced with her and had lots of fun. When I thanked Casey and told him of the goofiness he had this little twinkle in his eye and responded with just one word, "good". My condolences to all, especially to Mark. Suzanne, aka Kid O*

“ Casey,

You were a great mentor in my life, you taught me the strength and values of being a hard and honest worker. I am honored to have had many conversations with you about Snowmobiles, drag racing, and the shop. I will always remember your stories that you have shared with me over the years.

I will miss you big guy!

“ Casey,

You were my best childhood friend and cousin. When we were children we played nonstop for days. Your creativity never ceased. Many of our favorite games became my children's favorites; pretend your knees don't bend, Auntie Harriet and Uncle Gordy's bed transformed into a ship wreck, stuffed animals came to life (Winnie-the-Pooh was our favorite), ER for stuffed animals, fort making, and mixing up Kool-Aide concoctions.

Swimming so many hours that we felt the waves while we were sleeping. Giggling when we were supposed to be going to sleep. Sailing that little yellow Hobbie -10 and tipping it for the excitement. Thanksgiving in Chicago. Auntie Harriet's beef stew and Auntie Maryon's Candy Lasses.

Orange is still my favorite color because it was yours too.

RIP Casey. I love you for your creativity, gentleness, wry sense of humor, quick mind and how beautifully you took care of your parents in their later years.

*Love,
Jane*
