“ Dear Ken, Ashley and Family, I am so sorry to learn of Cassie's death. She was such a charming girl and a charmer as well when she was here at Jefferson High School. We enjoyed her curiosity, humor and laughter. She will be missed and I am grateful to have been able to spend time with her. My prayers are with you.
Sincerely, Mary Davoli Boulay

“ *I was the charge nurse on duty when Cassie was admitted to NMMC a few weeks ago. The love and dedication shown by her father touched me very deeply. Cassie was lucky to have such wonderful people in her life. Please accept my deepest sympathy for a life gone too soon.*

“ I am one of Cassie's classmates from Phase and I also rode the Transit Team bus to and from Lifeworks with her. Our group had a lot of fun together. The mood is really down on the bus right now and at Lifeworks. After I got picked up we went and got Cassie. It feels kind of sad that we don't go down her street anymore. I will miss her smile on the bus in the morning. She always seemed really happy to go to Lifeworks. I will miss her.

“ Ken and Gin, I accidentally (probably not an accident) came across Cassie's Guest Book. What a beautiful little girl! And what a smile! Ken, we think she looks so much like you. You two are in our thoughts and prayers. We're pleased that we'll be able to attend Saturday's service. Love Susan

“ I did music therapy with Cassie once per week at Lifeworks. She was not able to speak but always had a sweet sense about her. She seemed to smile when I sang "Sunshine on my Shoulers". She will be missed at Lifeworks. I am so sorry for your loss

“ Our daughter Lindie attended Phase North with Cassie and then they both found themselves at Lifeworks! Lindie used to go over to read to her. Lindie has fond memories and feels sad for your loss. There really angels put on this earth to make us better people, Cassie was one of those angels. Our thoughts and prayers are with you all. Keith, Marnie, and Lindie Seleen

“ I was at Patty's wedding- right before she died. I felt such saddness knowing she would leave her two terminally ill daughters behind. I was at Lindsay's funeral next, and wondered how Cassie would be, knowing her time was limited too. They were both beautiful girls. It is simply tragic thinking of all the suffering that family has gone through! -RIP-

“ To Cassie's Family: I had the opportunity to know Cassie as she was a classmate of my children Paul and Katy Kreger. I also worked with her grandpa Chuck at Normandale Community College. Cassie was a very friendly young lady. May she rest in peace.
