“ Colleen Renner was a friend as well as a member of our family. In the early 70's, her daughter Anne became our friend and a few years later she became our daughter-in-law. With the birth of our shared grandson, Hank, Colleen and i had the opportunity to celebrate wonderful events together and i found that i was more and more and more impressed by Colleen's commitment to her family both in Minnesota and Kentucky. She was a steadfast Catholic, a rock on whom her family could, and did, depend. For you children and grandchildren and generations to come, she will be the best standard to which you can compare your actions. I rejoice with you in her life which was lived to the fullest and i grieve with you that you have lost a loving mother/grandmother. Joyce Evans
