“ My most special memory of Katie and Bill is flying in the Golden Eagle to their beautiful lake home on Clearwater Lake. Bob Busch was Bill's very close friend, and I got to inherit a wonderful relationship with Katie and Bill through this. Wing waves and low fly-overs announced our arrival. Special times for sure! Katie along with Kriss and Hannah worked many of our Golf For The Cure events benefitting the Susan G. Komen Foundation. I will always remember Katies's smile sitting in the golf cart barn watching in amazement at all the activity for the silent auction. Frank and I truly appreciated all of the help from this amazing family, and she will be truly missed by many. We now have one more special angel looking over us, which somehow can comfort us a little at this time of loss. Love to All, Jo and Frank Fachman
