

Catherine Ann Marx

August 29, 1965 - December 19, 2020

With my deepest regret and sadness, my loving wife and caretaker, Cathy, passed away peacefully on Saturday, December 19. Her immediate family and closest friends were allowed to be at her side at the time of her passing thanks to the understanding staff at Mercy Hospital. Cathy was a source of light and love for all. She will be missed. Into Your hands, O Lord, we humbly entrust our beloved Cathy. Grant her Your peace.

Cathy told me long ago that she wanted to be united with her Mother Rosemary, Father Ted, Auntie Belle, Auntie Elda and Grandmother and Grandfather in the family plot along with her soul-kitten, Beauty. There will be a small private family service. Cathy loved her three kittens and faithfully supported Itty Bitty Kitty cat rescue.

“ *John, Larry and those who were close to Cat in these last years, I want to express my deepest condolences.*

I'm just crushed to learn about Cats passing. We have been estranged for several years, but it was always my hope that she'd come back. I had messaged her several years ago letting her know that she was missed and she never replied.

I think often of the incident that lead to her departure from the sisterhood she shared with me and Diana. Perhaps we didn't understand just what she needed to find in her life at that time or the depth of her unhappiness in that period. She wanted us to be honest with her, as friends should be... and I know I felt at the time I was doing just that... while trying to understand and emphasize with her.

I've always considered her to be my friend, even in the years we did not speak. She will always be a sister of my heart. She was beautiful, mystical, and deeply caring to her friends and family. She was creative and inspiring.

I would love to share my memories of Cat with John, and Larry and those who loved her. Please feel free to email or text me. 612-210-9164 / Paulinekabe33@gmail.com

“ *Dear John, I am deeply saddened by the news of Cat's passing. I was her customer of several years, but each time I ordered from her she made me feel like a friend. She put so much love and beauty into the world with her personality, her wonderful creations and her love of animals. Her sense of responsibility to our world and community in giving to animal charities was an inspiration, as were her love of history, mythology, fantasy and the mysteries of life that she explored in her perfumes. Her reach in the world was wide, bright and kind, and she will be long and fondly remembered.*

“ *Dear John;*

I am so saddened to hear of Cat's passing. I was a customer of hers, first on Etsy, then her own site, and delighted in her perfumes, buying them as often as I could. Her communications were always warm and couteous.

Her stamp on the world reaches far and wide, and I will celebrate her every time I use her perfumes. As a sister cat lover, she will always be fondly remembered by me as well.

“ *I knew Cat for over 10 years as part of the Etsy community and later over Facebook. We were on the same teams and had a lot of great times over the years talking about our businesses and lives. I had the privilege of designing one of the labels for a perfume of hers, and making her many lace fingerless gloves and chokers; she was so sweet and kind and supportive of my shop. I will miss her very much....*

“ John, and Ted and all of Cat's family, we are so sorry to hear of the news of her passing. As a customer of hers for 8 years, I not only looked forward to her new creations but also her messages and notes. She was so kind and generous with her items and good wishes for me and George. We are sad as we truly lost a good friend. I loved working with her in getting some photographs for a perfume collection back in 2016. Cat was beautiful, kind, inspiring talented and generous. We will donate to her favorite cat rescue sanctuary in her memory. We loved you, Cat, and will miss you so much. -Rebecca & George

“ Dear John, I adored Cat so very much. Although we never met in person, we developed a bond of friendship through the years that truly meant the world to me. She was beautiful inside and out. I am grateful for our conversations. She was so supportive of my art, for which I will be forever grateful for. She was kind, loving, talented and so very generous. She was truly one of a kind and will remain in my heart always. Her friendship was a true gift. Chuck and I send our love and prayers to you and to Cat's family.

“ My deepest heartfelt condolences to everyone, Cat was such a remarkable woman. I'll miss her terribly. She was a good friend and even though we hadn't met we did have a 10 year friendship online. She was so creative and dynamic. My heart is broken. The world is less one amazing soul.
