“ I'll so miss our wonderful Cathy and some things she always said, such as "all or none" when a group was trying to decide if we should do something. She loved group activities. She always said, "Can't wait"! when looking forward to every activity. And "you're missing out!" (Even to Judy in Hawaii, when the rest of us was having pizza in Mora!

“ Cathy was a second mother to me growing up. We used to play SPUD in her yard all summer long. Her warm smile and generosity will be truly missed!

My thoughts and prayers go out to all of her family and friends-
