“ My dear sweet Aunt Katie, you are/were a genuine treasure, always with a smile and kindness to share with everyone you met. I have wonderful memories of Dad and the rest of us taking vacation at your place, Harold taking us out on the boat fishing, Jim one year stepped on a bullhead, it pierced through his foot, I learned what they could do that, back to shore we went. We did a lot of swimming off shore, I still can see Jim diving off the dock. I tried but never could dive as good as him. Last time there, Brian and I had to take his daughter Naomi to the airport down there. We spent the night with your folks. Your dad offered us a few shots, about the time we caught a buzz, back to the cupboard the alcohol went, he said it helped loosen the lips; I thought that comical, he was right! Your Mom offered me her bed, I could have taken a couch but she would not have it, such a sweetheart. Many, most every summer you and your Mom took the train down to Glen Ullin, there she met her sisters and us 3 older children from my family came down, that was always an enjoyable time spent. Your Mom and Aunt Annie always had an eye out to make sure we were not getting in trouble. Katie, Annie and Theresa were such classy ladies, they would go to the hairdresser regularly. I can picture that place still or Grandpa having court in the kitchen, I remember change Grandpa would give us grandkids to go buy an ice cream cone. Rod I have a summer memory where you and your folks stayed in Bismarck for your vacation, you brought your walkie talkies. We would talk to the airplanes when they flew over; until something was said about it on the local news. They never discovered us, but we stopped! Whoa. Rod you had such wonderful folks, my dad's whole relation were such good, good people God bless them and you all. Katie was my God mother, my middle name is Catherine I can say this with great pride. As the world is saying good-bye to you, your funeral has started I will say a rosary for you, Harold and you Rod.

“ Dear Rodney,
We are so sorry to hear about your mother. Katie was my godmother and I always had a special spot in my heart for her. I am so glad my husband and I stopped to see your folks a few summers ago. We shared a hi-ball in the kitchen and I could see they were in the winter years of life. When we drove away, your mom was standing on the sidewalk by the door and I just wanted to scoop her up and take her home with me. She lived a very long life and it was time to say goodbye and go to heaven with her parents, brothers & sisters and your dad. Our thoughts are with you at this sad time.

ER

“ My mother and I shared many trips to Glen Ulen N.D. with Aunt Katie and Rodney to visit their parents. We would eat sunflower seeds with grandpa outside and spit the seeds on the ground. Katie was full of energy she danced up a storm at Rodney's wedding with Annie laughing and enjoying the day. I will forever remember her with a smile on her face.
