“ So sorry to hear of Ceciles passing. We lived across the hall from her and enjoyed her very much. She was our Board President when we first moved in and she made us feel so welcome. I think she was the kindest President we have had. Always thinking of the happiness of the residents. We hated to see her move away but knew she was better off with family. So sorry we could not make it to the service but will be thinking of the family and praying you find comfort during this difficult time. Merlin and Marilyn Smith #213
