“ I would like to send my sympathy and condolences out to Terri Foss and Albert Walton, the proud and loving parents of Charitie Latrice Foss. Sharitie was a beautiful person and she could light up a dark room with her smile. I will always miss and love Charitie and she will always be in our hearts. I know she will be looking down on us with her warm smile. I didn't get a chance to spend that much time with Charitie recently, but in heaven I will get to spend all the time I want. Charitie was a special niece to me and is deeply loved by her Uncle Tyrone. We can rejoice in our sorrow knowing our departed loved one is now present with the Lord. Beyond the loss of Charitie's life that causes us to despair, new hope is born within our hearts because our God is there. As her Uncle, I will always love Charitie and have her stamped on my heart, and she'll always be missed and never forgotten. I love you Charitie, Uncle Tyrone W.
