

## Charles Kenneth Bartholomew

August 20, 1941 - October 3, 2024

Charles (Charlie) Kenneth Bartholomew, born August 20, 1941, passed away on October 3, 2024, in Minneapolis, Minnesota. Born and raised there, Charlie graduated from Central High and had been a member of the Powderhorn Speedskating Club, and winner of the Junior Pentathlon in 1964. He loved to play classical piano, exploring the mountains, geology and rocks - a classic rockhound. Professionally, he gravitated to the energy industry and worked his way up from roughneck to engineer, living in Colorado, Utah, California, and eventually returning to Minnesota.

Charlie sadly outlived most of his immediate family, including his former wife, Mary L. Fessenden and his daughter, Amy Jo Bartholomew. His youngest brother, Mark L. Bartholomew, survives him. He had proudly helped raise his three grandsons, Theo Bartholomew, Stavon Williams, and Jacob Harlin. His great-grandchildren are Taniah, Theo, & Ezekiel Bartholomew, Catalina & Valencia Williams, and Jacob Jr. & Khaleesi Harlin.

Interment at Washburn-McReavy Hillside Cemetery in Minneapolis.

“ Charlie was a wonderful human being and genius! He could sight read and play Beethoven on piano! He and I were to Rollerblade to California but I was injured and he made the skate alone!! Well into his 60's he'd Rollerblade with his dog pulling him at high speeds throughout the lakes in Minneapolis! Quite a character that Charlie!
