

Charles "Chip" Parsons

August 2, 2005

Parsons Charles "Chip" Jude Parsons was called to follow God's light home on July 30. He was surrounded by his loving wife and family as he valiantly fought complications from a brain aneurysm. Chip was born in 1957 in Hingham, MA and spent his formative years in Bloomington, MN. He resided in Eden Prairie, MN with his beautiful wife Patti. He was a beloved husband, son, brother, uncle, and friend who will be sorely missed. Chip was preceded in death by his father, Charles. He is survived by his caring wife, Patti; his faithful mother, Mary; his adoring sisters; Carol, Lee, Gail, Jan, and Fay; his brothers-in-law, Bob, Don, Greg, and Harry; his cherished nieces and nephew, Terri, Shannon, Kyle, Jasmine, and Paige; and an extended family of uncles, aunts, cousins, and in-laws. Chip was a kind man with a good soul whose compassion knew no bounds. Many were benefactors of his generous spirit as he touched countless lives. He proudly achieved 13+ years of sobriety and served as a mentor to a number of people as they struggled in their journey. His acceptance of everyone was a hallmark of his character. Chip loved to travel and was fortunate to visit many parts of the world. Throughout his travels, he met many people all of whom were blessed by his presence. He truly was one of a kind and will never be forgotten. Visitation Tuesday, August 2, 4-8 PM, at the Washburn McReavy Eden Prairie Chapel, 7625 Mitchell Road. Mass of Christian Burial Wednesday, August 3, 2:00 PM with visitation 1 hour prior at The Church of St. Richard, 76th Street at Penn Ave. So., Richfield. If so desired, memorials may be made in the name of Patti Parsons

and will be distributed amongst Chip's favorite charities. Washburn-McReavy

“ Chip was a roommate of mine back in Chicago back in 1987. I lost contact with him a few years later. I only recently heard of his story from a mutual friend. I am amazed, but not surprised at what a great influence Chip was to so many for so long. His loss is a tragedy that leaves a hole in all the lives he's touched. He was a one of a kind guy who taught me a lot about life and living. My sympathy to his family and friends.

“ Hi Patti. I came into this situatiuon late, as an outsider. I never had the chance to meet Chip, and if he would not have left this earth, I would not be writing this. From what I have gleaned through conversations with you Patti, I know that Chip was a great guy, a kind man and a good soul. I wish that he could have stayed among the living, as your husband. But the way it turned out was different, and so very painful for you, Patti. Your strength and pereserverance will surely make him proud, and the way you have kept Twin City Tickets going is extraordinary. He would be proud, if I may say so. You are a one of a kind person, Patti, and Chip would be thrilled with the way you have carried on. Good job Patti!Signed, "An old friend"

“ Brother Dear,

How I long to say those words only to hear in response, "Yes, Bev, what is the nature of your call?" That booming, gravel voice that I repeatedly asked to have the volume turned down on has been forever silenced. My heart aches to hear it once again. Alas, only the reverberations remain ricocheting off the walls of my memory.

As the year anniversary of your death approaches, I am consumed with thoughts of you and memories of days gone by. I see your beautiful sparkling green eyes dancing with mirth and remember your ability to hold a room in rapt attention as you regaled your audience with stories.

As legendary as your story-telling skills were, it is your kindness and compassion that stand out in my mind and heart. Your ability to accept people as they are is the characteristic I would most like to emulate. Countless are the times that I catch myself and think, "How would Chip react?" The same answer always comes back - with understanding and compassion. It is a lasting gift you have bestowed upon all of us fortunate enough to have been blessed by your presence in our lives.

As you look upon us from the heavens, I hope you are proud of how we've carried your mantle forth, telling tall tales (not nearly as well as you would have) of The Miracle Man and his many adventures.

Your beloved wife, Patti, is under our constant care. Despite bearing the pain of such unimaginable loss, she carries forth your business and, more importantly, your name with grace and dignity. I know you are her guardian angel whispering words of comfort upon the winds, protecting her from afar.

You are fondly remembered every minute of every day and will never be forgotten.

I love you,

~

“ *What I feel Chip would tell his loving family:*

*You know I didn't want to go away
but, my earthly rights' bill was due.
God gave me a ticket to join Him
so, I had to leave all of you.
I'm watching over you constantly
and I don't want you to cry.
Think of all our good times often
as the days go by.
I will love you forever.*

*Chip,
I will think of you often
and pray for you always.

“ To Chip's Family,

My first and only time I met Chip was last year at a Packer game...Chip was our "ticket master". My lasting memory of Chip was the sight of him riding his bike back and forth through the crowd at Lambeau Field to get all our tickets, with huge smile on his face. He was a man of his word...and clearly a soul filled with great spirit.

My sincerest sympathies for the loss of your husband, father, brother and son...in your mind Chip's legacy continues.

“ I feel very lucky to have known Chip even though it was only through the ticket business and we really only had a few conversations. I feel as though I only knew him for a minute but he made a life long impression. He went above and beyond his duties to help me. Even when he was busy or on his way to meet friends he would still take my calls and do all that he could to help me. From the first time I spoke with him I dubbed him as my favorite broker. I really wish I had the chance to meet him. He is the only broker that I actually have in my rolodex and his number will stay there indefinitely just so I can feel like he's one call away. To his family and friends...you are in my thoughts and prayers. In the few conversations we had he managed to mention a few of his good friends and his wife and we were just talking about work so you know how much he loved you. Thank you, Chip. You will be missed.

“ *Patti, Aunt Mary and Family,*

We are so very sorry for your loss.

It was just about 2 years ago this month Chip and Patty came to Rochester for the U.S.Open at Oak Hill. We had dinner with Patti and Chip at our home, and we had dinner with Chip on his birthday . We tried to treat him on his birthday but he INSISTED and refused to let us treat.

I had never met Chip until then even though I had been married to Michael for 18 years, I had heard alot about him especially when Aunt Mary would come visit. He was eveything and more that I had heard . He had great stories and we could listen to him for hours. We laughed with him and had alot of fun that night on his 46th birthday

We wish we could be there but Chip is in our thoughts as well as the family.

You are in our prayers and thoughts.

“ On behalf of the local ticket broker community, I wish to extend our broken hearts to Patty, his beloved wife, & the rest of the Parsons family. I meet "Chipper" in 1992 and saw his career soar overcoming many adversities. Chip , in short order, became the best ticket broker and FRIEND to many in the state of Minnesota. He had two very special gifts, one of thoses being generous to a fault helping those he knew without any condition. He also had the gift of gab who could sell sand to an Arab. He was a great salesman of his age and a charmer of the first class, ask his wife, Patty. Kindhearted, gentile, forgiving, caring, thoughtful, industrious, friendly and a capitolist entrepreneur. For those who had the pleasure of knowing "Chipper" he will leave an indelible mark on our lifes and hearts.

My dear friend I wish I had the chance to say goodbye to you.
