“ I am sending belated condolences to my dearest high school friend, Maureen. This is Jenny "Beauvais" Amenda. Saw your father's obituary in the Rockford newspaper and it prompted me to try to get back in touch with you. First of all, please accept my sympathies upon the loss of your father. I remember how close you were to him. If you would like to renew our correspondence, please email me at a mendajen@yahoo.com. I am not on Facebook and never will be but would very much like to hear from you if you are interested.  
Sincerely, Jenny
