“ My grandpa was such a sweet man, he would always ask all about me and my kids when ever I spoke to him and when I tried to ask how he was doing he would always say he was fine and turn the conversation back to us...never about himself. When my kids were born he was always one of the first people to come to the hospital and hold them....such a sweet memory of my grandpa loving my newborn babies. I will miss my sweet Grandpa and I know he is heaven...how could he not be.
