“ My sympathies to you during this time. I was sad to hear about Mr. Henthorne's passing. He was one of my favorite teachers at Shirley Hills back 40+ years ago. He made learning fun and encouraged us to be creative as young students. The Halloween diorama was one of my favorite school projects. I still have one of his wood carvings of Santa he made and sold at a Mound holiday boutique years ago. I think of him every year when I bring it out. You should be proud of the beauty he brought to the world.

“ This man was a wonderful teacher, a tremendous talent, and along with his family, a treasured neighbor and friend. The Andreasen family will hold him in our hearts forever and are grateful we were able to call the Henthorne family our friends. Blessed be his memory always.

*Steven, Eric, Kathryn,*  
My sympathy and prayers go out to you and your families as you mourn the death of your father, I remember having your father at Shirley Hills for my teacher in Art class. I remember his artistic talent, as well. My father, Arnie Meyer and he were colleagues and I have many fond memories of time they spent together. One fond memory I have is when your family had the St Bernard dog and your dad brought him over to our home with a sleigh during the wintertime and gave me a ride with the dog pulling the sleigh and me. There are many other great memories I recall. My mom, Carol Meyer, sends her deepest condolences to you, as well. Take care and may God wrap His loving arms around you. Celeste Meyer Trembley
