“ I was deeply saddened to hear about Chuck's passing and wanted to reach out to share my condolences.

Since the first day I met Chuck at work, I was struck by his constant smile and the genuine kindness he showed to everyone. His pleasant personality was a staple of our workplace, and the friendly environment he created for those around him is something I will never forget. He was truly a wonderful colleague, and I have no doubt that he has found a peaceful place in heaven.

Please know that my thoughts are with you and your family during this difficult time.

With deepest sympathy,

Lillian Ferrer (Mary T Rental Team)

“ Chuck was a great friend and then we become family and grandparents together. Our grandkids will always know how wonderful of a person you were as we continue to tell them our stories. I'm glad we got to enjoy so many camping trips with you. Many years ago I stopped in for a visit, I was asked to stay for dinner like most others, but this dinner was different. Before dinner began everybody stood up abruptly, put their hand to their heart and began the pledge of allegiance, they got me! And if this wasn't Chuck's planning, he was in on the gig he would always make us laugh. Chuck enjoyed everybody's company and we could play games for hours. He would still want to play bags with me and have me on his team even though I wasn't good. We love you Chuck and you will be deeply missed.

“ *My sincerest condolences go out to the entire Mann family. I knew Cheryl and Chuck when they first started dating. I was there when bruiser Brandon was born. I've watched this family grow for so many years and to say that my heart is breaking for Cheryl, the kids and their other half's isn't saying enough. And the grandkids. I'm so glad Chuck got to experience the absolute love of those babies! Know he will be watching over you all. Again my most heartfelt thoughts and prayers are with you in the coming months. I know what a tight knit family you all are and you will have each other to get through this together. All my love, Tammy Lanerd. 🙏*
