“ I am sorry to see that a dear friend of mine from the early 1960s has passed to the other side... I met Chuck while I was a student at the Uof M.... through a girl cousin of his. He was full of fun and at that time was taking classes to to cut hair. Time has a way of people losing touch..... I went on to live in California for awhile and he stayed in the service..... That was the last time I ever heard from him. I am sure he went on and had a beautiful family... as I did. I know it's hard to have a family member pass....” I have been a widow twice..... but it's part of life..... just hang on to all the good times..... and don't forget them!!.....De Backen -Jorgenson.
