“ *I never met Charlie but, heard many great things about him. My Mom lived below him and was the one who found and reported his death. He was so sweet to her, called often to check on her and even cut a squash in half when she could not. Thank you Charlie for looking out for my Mom. I had a sense of security for her when you were home. Rest in Peace.*

“ *Chuck loved his family. He was immensely proud of his two beautiful daughters, Samantha and Allie. He was the proud grandfather to Claire Marie his six month old granddaughter. Chuck was a great American, a Submariner served on the USS Sam Rayburn, a great son and loving brother. He knew the lord and has now finished his race.*

“ *To the Plack family! My heartfelt sympathy to all of you for your lost. Whenever I saw Chuck he would always give me a hug and smile. I loved when he would go with the youth camp and he loved to cook. I enjoyed working with him at camp especially when he was the first to get up and get breakfast started. I will always treasure those memories. He and my husband had things in common they both served in the military and they both loved guns and they both thought they knew everything about guns. We will miss him.*

“ To the Entire Plack Family,
I am so sorry for the loss of my friend Chuck. He was such a great friend to me and just so recently I had got to spend more time with him. It's a great loss for so many. He was a wonderful man that had a heart of gold. He has truly left us too soon.
I won't make it Thursday but I will be there on Friday. Please know that we send thoughts and prayers to you all at this time of loss. Remember to hold the many happy, funny, and kind memories of him in your hearts and forever he will live in your souls.
Death leaves a heartache no one can heal; love leaves a memory no one can steal.
Much love and sympathy to you all.
