“ I has been many years since I have seen Chuck and family. I am the Grand-daughter of Donald and Margaret Quigley. My father is Richard Quigley. I am Rae Ann.  
It appears Chuck lived a long and fruitful life. He left a large family but is now joined with a greater family. Even in our sadness we can be joyful knowing we will all see each other again.  
My deepest sympathies.

“ Dear Leslie,

*We share your loss and deep sadness when a parent is no longer part of our earthly life. We know it is a personal journey with each day, with every memory. With faith and time, healing and sharing - the days get better.*

*We hold you close, we care for you.*
