And he will live on in our minds. Hence he's really not lost for us. He was forced to take an unexpcted shortcut on the road to our destiniy, which we all have to follow. “ To dearest Chucky, our 'silent' friend; your life was short but from all we hear and read it was full. You didn't get to see the Bahamas cams again as you so dearly wished but the pleasure you had from the Polar Bears and Vuy sound was a joy to behold. Thank you for being there on the Boma and Chat and for the fun we had there over the years. We will all miss you - and your silences!

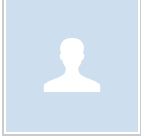

Sincere condolences to all family and friends of Chuck, he was a wonderful person.

God bless you, Chucky's family!

“ *To Chuck's Family,*

I am so sorry for this sudden loss. I know Chuck from National Karate in Eden Prairie. He was a great martial artist and very dedicated to karate; focusing on the correct way to do the move and participating on so many tournaments. Chuck was always upbeat and kind. I was lucky to have known Chuck. He threw himself into friendship and karate with abandon and that made me appreciate those things even more. Each year at the Diamond Nationals, Chuck and I usually sat in the front row at the evening event. I am sorry to say that I was unable to attend this year and therefore, did not have a chance to cheer and talk with Chuck that night.

*I fondly remember Chuck and I will send my memorial to Courage Center in honor of Chuck. With deepest Sympathy for your loss,

“ Chuck, what can I say, but he was loved by all who knew him. I knew him when he was a high school student and then shortly after he graduated. Always an upbeat young man who lived his life to the fullest with the full support of his mother Amy, step-dad Owen, and sister Laura. You see Chuck wasn't like most of us, but with the encouragement and support from his family he lived his life like most of us do. He was a courageous young man, and accomplished a lot in his 29 years. I know I speak for many us who knew Chuck, that we'll miss him and everything he gave to us. My thoughts and prayers are with you Amy, Owen and Laura at this time...

“ Chucky,

You will be missed but know that with your being the driving force behind Africam Chat, that you have made many friends there. And equally as importantly, you have allowed so many strong friendships to be forged through your efforts.

I'll miss you, Chucky - as many will. Be as kind and gentle in directing Polar Bear traffic as you were with all of us in chat.

Now you can soar like an eagle and see it all.

God bless.

Never again, will Chucky have to look into his computer to view the animals he loved watching so dearly... As he can now look down from his cloud in heaven, and watch them at play...

God bless...
