“ *Melvin, Ruth and family,
Thinking of you at this sad time and sending you a big hug from Benson. One of my memories of Charles is, as you probably remember, that time we were at lake and he told the joke about the frog experiment. After the punchline, everyone laughed, including me, though I didn't "get it" :). Later on, about 11:00 p.m. when I was laying in bed, I finally "got it" and started to laugh! All of you adults knew exactly what had happened and to this day, I have never lived that down. After all these years, my siblings still tease me about that. Good times. Hoping the memories of those good times will help you through these times of grief.
God Bless,
Linda Wall (Lucille's daughter)*
