“ Rest in peace my dear friend. We have had so many years of wonderful times together. I can't believe you are gone. You said you'd live forever, I was holding you to that. I'm so sorry that your last few years were so frustrating. I know how you loved to "cruise". It was so hard on you having so many of your liberties taken away. But you remained true to those you loved. Sacrificing your needs and desires to please those who blocked your happiness. I am so proud to have been your friend. You were always there for me when I needed you, as I know you know I was for you. There will forever be a hole in my heart where you belong. Life won't be the same without hearing "Happy Birthday" every day of the year. I love yah Charlie. Now you can go "cruising" anytime you want, and no one will lock you out of your garage or take your tools away from you. You had the kindest, most giving heart of anyone I have ever known. I miss you already my friend. "Happy Birthday".
