“ *Whitey or Mike as we call he was my cousin. I just recently learned of his death and sorry to hear this, we were very close in age and closes as children. Mike always struggled with mental health since he was a very young child.
Rest in peace Michael! I recently visited his grave at Fort snelling.
May his struggles be over and he's with Jesus right now. Amen*

“ *I will miss Whitey very much. He was a lovable character, in spite and because of his quirks. He was in many ways the reason our food shelf exists. I'm sorry he's gone. He held a particular position in the Northeast community, as a kind of leader amongst the men and women, our neighbors, who are struggling the most. It's hard to imagine this town without him, though we never knew his whole story. Rest in peace, Mike, and rejoin in the next life all those whom you loved and lost. - Jennifer*

“ *Whitey was a frequent visitor at our church dinners and food shelf. He was not an easy client, but he made us all really work to be the hands and feet of Jesus on this earth. I sincerely hope that Whitey has found the peace that eluded him in life. Rest in peace, Whitey. Your presence will be missed. Thank you for everything you taught me, and please forgive me for the ways that I failed you. -Cathie*
