“ *Debbie - I was so saddened to hear of the news of Charie's passing. I felt like I knew him personally with the 100's of stories you shared with me as we rode the bus to and from work together these past years. I am sorry I never got the opportunity to meet him but by the smile in your eyes every time you spoke of him - I know he was a very very special man who loved you very much as well as his family. My thoughts and prayers are with you during this difficult time.*
